

B004 - Pre-Design Client Questionnaire

Project Name:

Client Name:

Project Number:

Date:

This Pre-Design Client Questionnaire is intended to help you to determine your goals and aspirations for your project. Your answers will help us better understand how you live, work and play when at home. It will also provide us with your general preferences, so that your new project will be designed to best meet your goals, needs, hopes and dreams.

Please respond to the following questions as thoroughly or as briefly as you would like. Feel free to continue your answers on the backside of these pages as necessary. We will review this questionnaire and more thoroughly discuss your project, before we begin the design process.

THE PROBLEM

1. Is there one most pressing issue that is necessitating this project at this time? _____

2. What is wrong with the spaces you have now that is necessitating this project? _____

3. Which space or spaces in your home are currently the most problematic? _____

4. Are there any external influencers necessitating this project? _____
